

User Guide

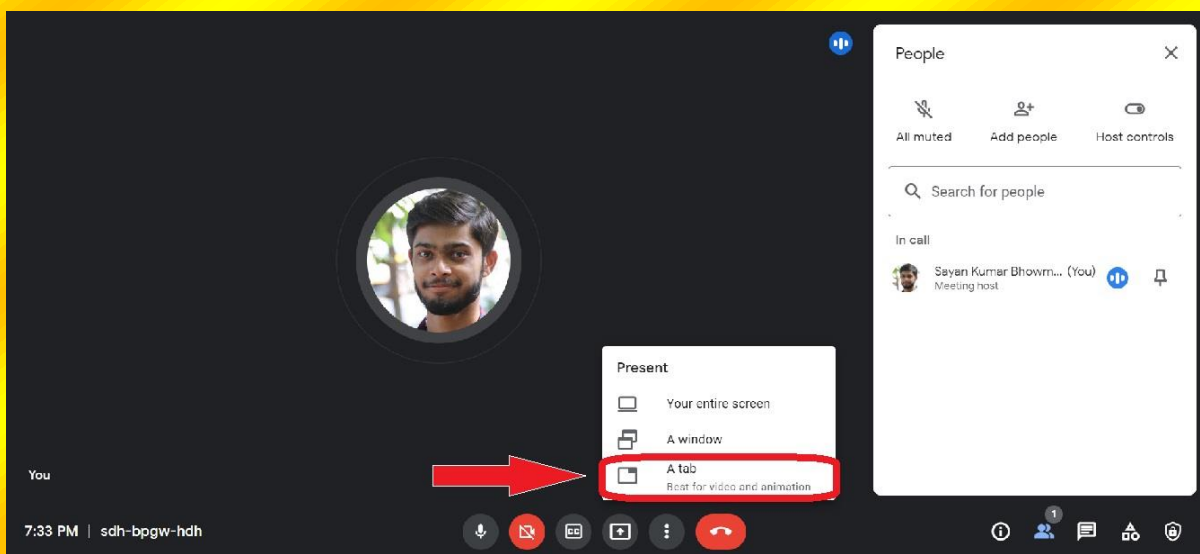

Step 1

Click on the Share Screen button of any Video Conferencing Application, like Google Meet, Zoom etc.

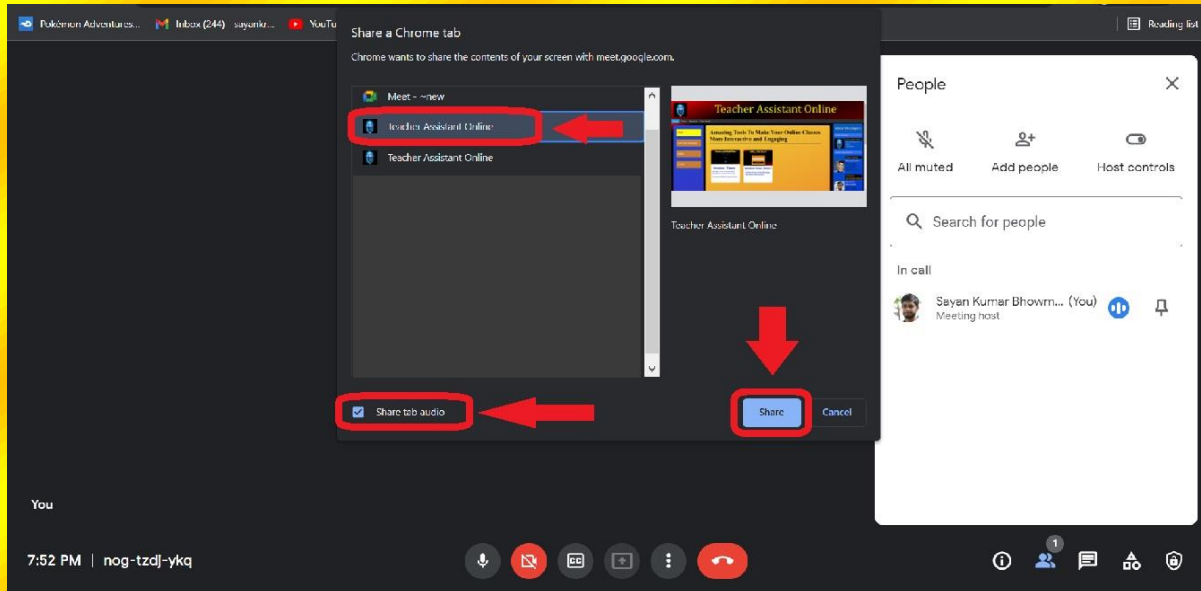

Step 2

Select What you want to Share... however selecting "A Tab" option is highly recommended

Step 3

Select "Teacher Assistant Online" from The Tab list. Make sure to Enable Audio of this tab from the bottom-left corner and Then click on "Share".

Step 4

Share the Tool-Screen with your Meeting Attendees
